LLPD Starts Business Watch Group

The Los Lunas Police Department, in conjunction with area business owners, has started a local business watch group which meets at 8:30 a.m. on the last Wednesday of every month at Benny's II, 1503 Main St. SW.

The goal of the business watch group is to bring community business owners together by having a location to meet and discuss any matters that are a concern.

The collaboration also allows police officers and business owners to share information about criminal activity and suspects being sought.

LLPD officers encourage local business owners and managers to participate in the business watch group.

Valencia Middle School Cleans Up

The clean up campaign filled the back of a truck with trash.

Contact Marie Marquez at the Village, 505 839-3940, if you need help conducting a clean up.
